TANK BEER

FOR THE LOVE OF DRAUGHT

PINT • 4.50

FRESH FROM TANK TO GLASS...

Tankers deliver Meantime's Brewery Fresh beer direct from the maturation tanks at the brewery, into our custom-engineered tanks you'll see around the restaurant

It's a unique way of serving beer, and you'll taste the difference right away: a smoother lager, un-pasteurised or filtered, with enhanced aromas and well-rounded flavours.

Brewery Fresh beer has no contact with the air until it hits your glass. It really is the perfect pint!
